6444 Queen Avenue South #107  
Richfield, Minnesota 55423

phone: 435-503-7161  
email: neallred@gmail.com

## Skills

- Front-End (HTML/CSS/JS, ES6, React, Redux, Webpack, Chai, Enzyme)
- Back-End (Node, Express, MongoDB/Mongoose, Postgres)
- Environment (Linux Command Line, Git CLI, Vim)
- People (written/oral communication, active listening, conflict resolution)

## Work Experience

Front End Web Developer at Randstad USA *(Contracted to Best Buy Corporate at Richfield, MN: Jul. 2016-present)*

- Deliver high value added solutions to Geek Squad agents via a Single Page App.
- Converted the codebase to ES6, setting the standard for future code.
- Decoupled our codebase from another by creating a separate build process with Grunt, Webpack, Jenkins, and internal build tools.
- Build a Test Driven Development culture by testing existing and new code (coverage doubled to 80%).
- Trained new teammates on our technology stack and taught them domain knowledge.
- Tech Stack: React/Redux, ES6, Karma, Enzyme, Webpack, LESS/CSS (BEM), and HTML

Postal Support Employee at Postal Support Facility *(S.L.C., UT: Jun. 2016-Jul 2016)*

- Efficiently sorted packages to ensure safe and timely delivery of mail.

Research Assistant at Brigham Young University *(Provo, UT : Apr. 2014-June. 2016)*

- Maintain Team Populism website (<https://populism.byu.edu>)

- Coauthor a scholarly article on the consequences of Populism for Democracy
- Conducted large-N statistical analyses of populism with Stata scripts

Legislative Intern at Utah State Capitol (*S.L.C., UT: Jan.-Mar. 2014*)

- Drafted a legislative resolution affirming Utah-Taiwan relations
- Developed people skills through contact with constituents and lobbyists
- Wrote and sent weekly newsletters to constituents

LDS Missionary at Rosario, Argentina Mission (*Aug. 2010-Aug. 2012*)

- Learned fluent conversational and written Spanish
- Applied planning, accountability, team work, and leadership principles

## Education

Hobby Coding (*Sandy, UT: Aug. 2015-present*)

- Github (<http://github.com/neallred/>)
- Stackoverflow (<http://stackoverflow.com/users/5753978/neallred/>)
- Front End Web Development Certification (February 9, 2016) through Free Code Camp
- Reading: Functional Javascript, Javascript the Good Parts, Michael Hartl RoR book
- Courses: 12+ Codecademy courses, Ruby Koans, Stanford Online CS 101

Brigham Young University (*2009-2015*)

- International Relations major, 3.89 GPA (Fall 2015)
- Strong Math Skills - 21 upper division Econ credits; Intro to Proofs; Calculus I
